

EGGS ON TOBOGGAN

Chickens Remain Firm Oith Only Small Supply.

California Fruits and Vegetables Are Netting Good Prices Except Tomatoes, Which Are Too High—Fish Are Scarce.

Portland, Jan. 3.—Eggs have at last struck the toboggan and went down to 29 cents today with an indication that they will recede still further on account of large shipments of eastern eggs at 5 cents less a dozen.

Chickens seem to have fallen victims of the holidays and the supply is short and the price high, only a very few coming in from the country.

California fruits and vegetables are in good demand, except tomatoes, which are too high in price to find favor. Twenty-five cents more a box is paid in Price than here, and the market will see a falling off in these shipments. A carload of oranges, one of cauliflower and one of sweet potatoes netted good prices.

Smelt are scarce, and there are no clams in the market. Frozen salmon is all that is in the market.

strength-creating tonic in the world." Mr. Rogers says: "Vinol is not a patent medicine. Everything in it is printed on the bottle. It contains in a concentrated form all the medicinal elements of cod liver oil actually taken from fresh cods' livers, but without a drop of oil or grease to upset the stomach and retard its work. We have never sold anything in our store equal to Vinol to build up the run down, tired and debilitated, and give renewed strength and vitality to the weak and aged, or to cure chronic coughs, colds, bronchitis, or incipient consumption. We ask the people of Astoria to try Vinol on our guarantee to return money if it fails." Chas. Rogers, druggist.
